Information about the Bishop Blanchette Scholarship Fund

Established in 1982, the living memorial which continues to honor the late Bishop Romeo Blanchette is supported by donations. Scholarships in his name are made available each year to students who will be attending Catholic high schools in the Joliet Diocese. One student may be nominated by every affiliated Council of Catholic Women organization of the Joliet Diocese.

Scholarship awards are made on the basis of financial need, personal situations and scholastic achievement. A statement from the candidate in which they express their reasons for wanting a Catholic education and list their service to their parish and community are also considered in the scholarship award. In addition, a recommendation from the school principals and pastors is required for each candidate.
